BLUE LION MEANS BUSINESS ISSUE #6

FINAL WAVE

The last wave isn't an attack. It's everybody.

A Blue Lion Media Group production

Main Street. Wave four: the Big G.
BEAV-R! ACQUIRE Blue Lion's shop!
HONK?
STOMP... STOMP...
BEAV-R knew exactly one word. 'Acquire' wasn't it.
Not the LAMPPOST! The SHOP!
HONK! HONK! HONK!
Goose! Want to borrow Abe?
HONK! NO!
The most successful goose in town had built a stomping machine. He had forgotten one small thing.
CREAK...

He had reinvented the wheel. Literally. He had never actually used one.
Goose. Say it clearly.
The wheel! He already built one!
CRACK! WHIRRR... CLUNK.
The most successful goose in town said the two most expensive words he knew.
Fine. Please... help.
A team build! I LOVE team builds!
Step one: one wheel. Step two: right here. Step three: everybody stands back.
BANG-BANG-ZIP!
HONK!
Clear steps! I LOVE clear steps!

Wave five arrived right on schedule. It just wasn't an attack. It was everybody.

By lunch: one wheel. By two: one workshop. By three: a line around the block.

(Honestly? The mech was a tax write-off.)

DING! DING!

NEW CUSTOMER!

5-star review!

Goosey Goose never shares. Not snacks. Not credit. Not even the armrest.

Today, he shared the armrest.

Best deal all week.

This never happened.

Fridays!

THE END... ...of the siege.
