BLUE LION MEANS BUSINESS

BLUE LION

ABE

GOOSEY GOOSE

THE GOLDEN EGG

Some eggs are just eggs. This one builds things.

A Blue Lion Media Group production

Kingdom Corners. Home of
Goosey Goose, the most
successful goose in town.

Goosey never shares. Not
snacks. Not credit. Not even
the armrest.

Blue Lion! Just the
lion I was...
passing.

What's this?

egg. Don't say I
never gave you
anything.

(Honestly?
It's a tax
write-off.)

He did what Grandma Lion
taught him: three little circles and
one polite pat.

Hello in there! I'm
very open to
partnerships!

By lunch: a website. By two: a sign.
By three: a line around the block.

I used the roads and
pipes that were
already here. Way
faster!

I've never
finished
ANYTHING
before lunch!

Meanwhile, the most successful
goose in town got busy
reinventing the wheel. Literally.

That was MY
egg! MY nudge!

Fine. I'll build my
OWN empire...
from SCRATCH!
